NUMBER 21

MAJORITY REACHES 35,000 IN STATE

McCREARY VOTE SHOWS CHANGE OF 52,300 SINCE 1907.

Democrats Make Big Gains in Eleventh District.

OFFICIAL COUNT SATURDAY

Louisville Nov. 10.—The official count of the vote cast in the state election was begun in the 119 counties last Friday and in the most of them no change is expected in the unofficial returns, which from every county in the state show McCreary's majority over O'Rear to be 33,247 a change of 52,300 votes compared with four years ago, when A. E. Wilson, Republican, defeated S. W. Hager, Democrat, for Governor by a majority of 18,053.

The first district, which had gone against Gov. Wilson by less than 7,000 votes, rolled up nearly 11,000 for McCreary. The Second district, which Wilson lost by little more than 3,000 went 5,000 for McCreary.

The greatest reversal in the dark tobacco districts came in the Third which Wilson carried over Hager in 1907 by 2,363 votes. It switched and gave McCreary a majority of 2,070. Then the fourth district which gave Hager only a little over 200 majority, went over 4,000 for McCreary.

The Sixth district, including Covington and Newport, which Gov. Wilson had carried in 1907 so largely as to overcome the Democratic majorities that had ruled for years, swung back in line with an unprecedented majority for McCreary.

McCreary's home district, the Eighth, did handsomely for governor elect, giving him nearly 3,000 majority, when in 1907 Wilson lost it by but 257 votes.

G. O. P. LOSS IN MOUNTAINS.

The blow to Republicans hopes came in the Ninth, Tenth and Eleventh districts, which they expected to carry heavily enough to overcome all Democratic majorities in the Western part of the state and sweep O'Rear into the governor's office with a safe majority. The Democratic landslide, however, covered the entire state. The ninth district, which Wilson had carried by nearly 1,000, gave McCreary over 2,000. The tenth, the home of Congressman Langley, chairman of the Republican campaign committee, who carried it last year by over 2,000 reversed itself by giving McCreary over 2,000 majority.

The "rock-ribbed Republican Gibraltar," the Eleventh, fell far short of Republican expectations. Claims of as high as 40,000 majority in this mountain district had been made by Judge O'Rear's friends. The returns indicated he had carried the district by but little over 15,000.

The Democrats will have a top heavy majority in both branches of the legislature. Early returns indicated that only five Republican state Senators would sit in the upper branch. Later returns however, indicate there will be six—Joe F. Bosworth, Hiram Brock, W. F. Welch, J. T. Tunis, M. Biggerstaff and C. Holman.

In the House the Democrats

seem to have increased their membership of 76 in the last legislation to 79.

The next General assembly probably will stand on joint ballots; Democrats, 111; Republicans, 27, divided as follows: Senate, Democrats, 32; Republicans, 6. House Democrats, 79; Republicans, 21.

BRILLIANT NUPTIALS IN HENDERSON

The Henderson Gleaner of Sunday Has This to Say of The Wedding —Bride a Niece of G. C. Gray

The most notable society event of the season was the marriage of Miss Katherine Hodge, the only daughter of Mr. and Mrs. John Hodge and Mr. Gibney Oscar Letcher, the only son of Dr. and Mrs. James Letcher at the First Presbyterian church Wednesday evening November 8th at nine o'clock.

The church was beautiful with potted plants and white chrysanthemums. Mr. Harry E. Von Tobel was at the organ and rendered several beautiful and appropriated selections with his masterful touch, then sweetly the grand, and always thrilling wedding march filled the church and the bridal party entered. The ushers Mr. Sam Clifford, of Evansville, and James and Willie Hodge, brothers of the bride, came first, followed by the bridesmaids, Misses Mary Brodie, of Owensboro, Virginia Lockett and Mary Cunningham, Mrs. Anthony Perrier, matron of honor next came, then the bride, on the arm of her father. She was met at the altar by the groom and his best man, Mr. John Bean, of Owensboro. They then advanced to the altar where Rev. Thomas Cummins in his most impressive manner said the ring ceremony.

The wedding was a beautiful one, a "Pastel" wedding. The gowns worn by the bride's maids planned in New York, and the new combination of pink and blue was most artistic. The bride's dress was brocaded satin and lace. The lace being imported and of the finest texture. The veil of tulle was caught and held in place by lilies of the valley. The bride was never more beautiful than on this occasion.

She carried a shower bouquet of roses and lilies of the valley.

Immediately after the ceremony there was held at the house of the bride a reception to which many friends of both these popular young people had been bidden. This attractive home which has been noted for the many delightful entertainments given there was never more attractive than on this evening, when each guest had come to wish for the fair bride and her husband all that life holds most dear.

In the receiving line were Mr. and Mrs. John Hodge, Dr. and Mrs. James Letcher with the bridal party.

The house was beautifully decorated with brides roses, chrysanthemums and greens. The bride's table was decorated with brides roses smilax, while the brides chair was adorned with white chrysanthemums. At each plate was a basket filled with bride's roses; the toasts were appropriate and well given. A most elaborate and delicious two course luncheon was served. Many elegant gowns were worn; Mrs. John Hodge wore a lavender brocaded satin, Mrs. James Letcher, light blue silk and lace.

Among the out of town guests were: Mr. and Mrs. George Grey of Marion, Mrs. Henry Rudy, and Mrs. James Rudy, of Paducah, Mr. and Mrs. George Clifford, of Evansville, Mr. Bass, of Rome, Ga., Mr. Sandy Clifford, of Evansville, Mrs. William T. Barrett, of Vanceburg, Kentucky Miss Shea, of Pennsylvania, Mr. and Mrs. Robert Brodie, of Owensboro.
